Middle and East Texas is entitled
to sympathy if it doesn't rain here
real soon. We have been furnishing
them with their corn for the past
four years, but it begins to look now
as though they will have to look else-
where for their supplies. While rain
has fallen in some spots the greater
part of Medina county is dry and the
corn is just in the stage where rain
is needed. Yes, we are sorry for
Middle and East Texas if rain is
much longer delayed.

Three Medina county girls, Miss Nettie Fly, Miss Evelyn Lacy of Hondo, and Miss Dora Mae Wilson of Yancey, are at home from the State University with their degrees in their possession, testifying to the fact that they have faithfully and earnestly applied themselves while Students at the State's leading institution of learning. Master Thomas, the 13-year-old son of Mr. and Mrs. Ray Taylor, is the first thrashing victim we have heard of thus far this season. Wednesday afternoon of last week while helping around the thrasher he had the misfortune to get his right arm caught between the belt and the main driving shaft, the arm being fractured between the wrist and elbow. The injured member was given surgical attention and Thomas is getting along fine but will be forced to carry his arm in a sling for sometime. However, he and everyone else connected in anyway with the mishap are to be congratulated on his escaping without a more serious injury.

THE NEWS "MUDDLES" IN.

Some weeks ago, when this paper admonished the people of this community not to disrupt the "good feeling" that has so long prevailed here by bringing into the community life the disturbing element that has since disrupted that feeling, the Devine News chortled in glee over the prospect of a disturbance.
Now—after the mischief has been done—and the Anvil Herald, in a fruitless effort to induce this same disturbing element to at least make an effort to restore that good feeling that formerly prevailed by taking the public into its confidence to the extent of making publicly known its purposes and those whose official responsibility it is to carry out those purposes, published all they could be induced to give out, this same News now "piously" "hopes that those who have formed wrong impressions about the aims and purposes of the Klan, as we believe they have, will join the Anvil Herald now in trying to promote a better feeling."
Never a word about those who know from the inside "the aims and purposes" taking the public into their confidence!
If the Klan is the victim of "wrong impressions" it has its own secrecy and the folly of those who assume to speak for it while protesting that they "do not belong to it" to thank for it.
The first can be easily removed by according the public the measure of confidence to which the public is justly entitled and without which it is never going to be satisfied.
The other is not so easily secured—for the foolish would ever talk.
But if permitted to talk long enough they usually trip themselves up.
For instance, read from the News:
"This writer 'The News doesn't belong to' believes that members of the Klan, as we have repeatedly in places, have stated; but we believe that we of the hood, and understand its principles, just as were, printed in the Anvil Herald; and it ald, and it has seemed preposterous to us that any full blooded, to the open and American white make a greater effort to help bring to justice men who have imposed upon them by donning their regalia to carry out wrong designs".
You can take your choice of believing that the News man writes himself down as not being a "full blooded American" or else he believes it right for "members of the Klan to take advantage of the hood and be guilty of things unlawful" and that his "mild" censure was merely a discourse through his hat.
If there is any good to come out of the Klan, next to taking the public into full confidence thereto, the silencing of a lot of fool defenders from the outside would help to establish itself in that confidence which all worthy undertakings desire, and which we were assured by men we regard as reliable they went the limit of their permission at this time in an effort to promote when they handed us the statement previously published in these columns.
Good men who are hopeful of good coming out of this organization are confident that it should and will have to throw off much of its secrecy, and are hopeful that the time when it can and will, will not be long delayed.
We opine that the News will win no respect from either side by trying to muddy the waters.

B. Y. P. U. MEETING.
Sunday afternoon "The Flying Squadron", one of the ten B. Y. P. U.'s of the First Baptist Church of San Antonio, composed of twenty-five or thirty young people, came to Hondo to put on a program for the local B. Y. P. U.
They were met and served supper on the church lawn. Then, at 8 o'clock, in the presence of a big congregation, proceeded to carry out their regular work. All of the young people showed that much study had been put on the lesson.
The trio, consisting of the piano, violin and cello, gave several beautiful selections during the evening. Their visit was enjoyed so much we hope they will come again soon.
W. M. U. ENTERTAINS.
The Woman's Missionary Union of the Baptist Church entertained with a "Dollar Social" at the Rest Room Thursday afternoon May 31, the proceeds to go to the Baptist Hospital soon to be erected in San Antonio.
A short program consisting of musical selections and a reading, was given, then Mrs. C. W. Brown made a talk on the Hospital, after which the offering was made. The sum of \$50 was realized.
The rhymes which accompanied the dollars ranged from the sublime to the ridiculous, causing much merriment.
A salad course was then served.
A MISCELLANEOUS SHOWER.
A miscellaneous shower was given in honor of Miss Elvira Meyer of Dunlay, Texas, by Mrs. Rob Breiten at her home from 1 to 3 P. M., Sunday, June 3rd. Identification, Regeneration and Sanctification.

By the courtesy of Rev. John E. near Brooksmith, Texas, who preached Holiness, according to the Wesleyan Theory of Sanctification over Texas and adjoining states. An Evangelist, for the last twenty or thirty years, we have the privilege of presenting to you with this picture, which is the most clear, the truest, the most beautiful and thoroughly Biblical illustration of the THREE distinct stages of the souls of those who through the program of redemption as revealed in the Holy Scriptures that I have ever met with in Uncle John, now about 75 years old, says that some 20 or 30 years ago God gave him this picture of the THREE phases of his own life, vision.

Every one who has a knowledge of the Fundamental Principles involved in the Christian religion, this picture will at once commend itself as an illustration corresponding to the THREE Persons in the Godhead, and THREE Factors of the Manhood; the body, the mind, and the

It corresponds to the method which the plan of redemption was used to the human race as a whole. That is, FIRST, by the dispensation from Adam to the birth of Christ. The lost condition of the Pagan and heathen world during that period, is represented by the portrait on the left.

SECOND, by the dispensation of Christ from the birth of Christ to the days of Pentecost; which corresponds to the individual regeneration, and is represented by the portrait in the middle.

THIRD, by the dispensation of the Holy Ghost from the day of Pentecost to the end of time; which corresponds to individual sanctification, and is represented by the portrait on the right.

Last, and by far, the truest and because of its present, practical and personal application, is the and impressive representation, by the picture on the left, of the unconverted sinner, with his enshrouded in darkness and death; his countenance darkened with the traces of sin and the shades of iniquity.

His face to the left, in grim power of the serpent, the Devil, he is looking toward broad and frequented away from God and heaven, to the endless hell which shall flit, as cast, with all its contents, the lake of fire and brimstone, and his worm dieth not, and the not quenched. Dear unconverted, this is your picture. Look it and ponder its illustrative

well and may God and our Lord Jesus give you grace to face about and seek the Lord. He may be found; call upon him while he is near; that by the blood of the cross you may be saved from sin and a Devil's and be numbered with the children of God on earth and the redeemed glory.

And the picture in the center, dear and forceful illustration of the merely regenerated soul. Note that this countenance is a representation of Rom. 5:1 before being justified by Faith, and PEACE with God through the Lord Jesus Christ.

will observe that there is a shining in his heart, which represents the light and life planted in all those who are really born of the Spirit. Also we see in the "old man", Rom. 6:6,—"the mind", Rom. 8:7, "the body of death", Rom. 7:24. This is the that St. Paul spoke of when he said, "I am crucified". In this we see the old man cringing away from the light.

Also note that this regenerate man has his face turned to the right, signifying that he is on his way toward the Glory World.

State of grace represented by the middle picture, that is, being freed of both the carnal mind, the light of Divine life, at the time, is spoken of in first Cor. 13. Here the Apostle states that the Corinthians were both CARNALED and BABES in Christ, at the time.

Also in Gal. 5:17 St. Paul says "For the Flesh, (Carnal) lusteth against the Spirit, and the Spirit against the flesh; and they cannot do the things that the Spirit desires, as represented in the middle portrait, saying a carnal minded man is unstable, and he exhorts to "Purify the heart by the Word of Life".

Again, Rom. 7:22 to 24 gives the unsanctified heart, in which the mind of Christ, and the "old man" is battling for mastery. Also in the 19th verse of the 1st chapter of the 1st Epistle sets forth the Powers of the carnal mind, by saying:

"The evil that I would, I do not, the good that I would, I do not."

Now, some have made the mistake to think that this was the experience of St. Paul at the time he wrote this; not comprehending that this Roman Epistle is a systematic discussion of the different Stages of experience that the soul passes through while being saved from the lowest state in sin, to the glorious state of TRANSFORMATION spoken of in the 12th Chapter and 1st and 2nd verses; which refers to Sanctification.

Therefore, the 7th chapter of Romans describes not the experience of St. Paul when he wrote the Epistle, but simply a State of Grace and Carnal mindedness through which every Christian MUST pass, but should not ABIDE in; But as he exhorted in Heb. 6:1—"go on to perfection."

Now let us turn our eyes upon the portrait on the right. In the language of the Psalmist, we would say "Mark the PERFECT man, and behold the upright; for the end of that man is peace. Says Isaiah, "Thou wilt keep him in Perfect peace whose mind is STAYED on Thee". In Psalm 24:3 and 4, "Who shall ascend into the hill of the Lord, or who shall stand in His holy place? He that hath CLEAN hands and a PURE heart." That is,—the man who has a SANCTIFIED heart, and lives a HOLY life.

Jesus said; "Blessed are the PURE in heart, for they shall see GOD". Math. 5:8.

St. Paul said; "Without Holiness no man shall see the lord". Heb. 12:14.

Now, some have made the mistake to think that this was the experience of St. Paul at the time he wrote this; not comprehending that this Roman Epistle is a systematic discussion of the different Stages of experience that the soul passes through while being saved from the lowest state in sin, to the glorious state of TRANSFORMATION spoken of in the 12th Chapter and 1st and 2nd verses; which refers to Sanctification.

Therefore, the 7th chapter of Romans describes not the experience of St. Paul when he wrote the Epistle, but simply a State of Grace and Carnal mindedness through which every Christian MUST pass, but should not ABIDE in; But as he exhorted in Heb. 6:1—"go on to perfection."

Now let us turn our eyes upon the portrait on the right. In the language of the Psalmist, we would say "Mark the PERFECT man, and behold the upright; for the end of that man is peace. Says Isaiah, "Thou wilt keep him in Perfect peace whose mind is STAYED on Thee". In Psalm 24:3 and 4, "Who shall ascend into the hill of the Lord, or who shall stand in His holy place? He that hath CLEAN hands and a PURE heart." That is,—the man who has a SANCTIFIED heart, and lives a HOLY life.

Jesus said; "Blessed are the PURE in heart, for they shall see GOD". Math. 5:8.

St. Paul said; "Without Holiness no man shall see the lord". Heb. 12:14.

The Experience represented by this right hand picture is spoken of in Ps. 91:1 "He that dwelleth in the secret place (Holy of Holies) of the most high, shall abide in the shadow, (Shekinah) of the Almighty". Therefore, St. Paul exhorts the regenerated of Hebrews 10:19 to 23 saying "Having therefore, Brethren, boldness to enter in the Holiest by a new and living way.....let us draw near.....For He is faithful that Promises;" That is, to put us, by way of an experience, into the HOLY OF HOLIES (the secret place) thus transforming and transposing us from the HOLY priesthood, (the regenerate state) mentioned in 1st Peter, 2:5, to the ROYAL Priesthood spoken of in 1st Peter 2:9, which is no more nor less, than the sanctified Experience referred to by the change of Jacobs name to that of ISRAEL meaning, "the PRINCE that prevails with God"—a successful royal Priest, Having POWER with God and with Men. The portrait on the right represents the above wonderful Grace. This right hand picture, represents the state of grace and character, referred to, by St. Paul when he said: "Let us go on to PERFECTION."

Also when Jesus said: "Be ye therefore PERFECT, even as your Father which is in heaven is perfect." Also referred to by St. Paul, when he wrote: "Let us cleanse ourselves from all filthiness of flesh and spirit, PERFECTING HOLINESS in the fear of God". And again Jesus said that "the servant is not above his master, but everyone that is PERFECT, shall be as his master"; and St. Paul says "Both He that Sanctifieth and they who are sanctified are all of ONE; for which cause He is not ashamed to call them Brethren". The Lord Almighty says "Be ye HOLY, for I am Holy"; again St. Paul says: "Wherefore Jesus also, that He might SANCTIFY the people with his own Blood, suffered without the gate."

"Let us go forth therefore unto Him without the camp, bearing His reproach." What for? To be sanctified. THE REPROACH that stands in connection with the state of grace represented by the Portrait on the right, has kept untold thousands from accepting, seeking and obtaining the experience of entire Sanctification. But time and space forbids, that I should quote the scores, yea, hundreds of Texts to be found in both the Old and New Testaments that refer directly to this supreme work of God through the blood of Christ in Sanctifying the souls of God's children by an instantaneous Baptism with the Holy Ghost and fire.

God also, has represented the Three spiritual states, which this Trio Portrait was gotten up to illustrate, in a half score or more of Personal Trios scattered along through both the Old and New Testaments. The following are a few of those trios; the most of which we have already written up in the Fourteen Articles preceding this one.

Now, if you will put your eyes on the portrait, you will see an illustration of Adam's Three sons—Cain, the wicked one, who slew his brother, and whose posterity defiled the whole earth, and brought swift judgment and utter destruction on the whole world by the flood, is represented by the black hearted picture on the left.

Abel, the second son of Adam, a type of the church in its sacrificial ages and also a type of the merely

regenerate, having the carnal mind remaining in the heart, is represented by the Picture in the center.

Seth was the Third son of Adam, and was the forefather of all the truly Faithful before the flood: Among his posterity were those who, "walked with God"—"Preached righteousness". Built the Ark, and rode the stormy waters across the flood into the New World. Seth the third son of Adam is represented by the picture on the right.

Now we look again and we have the picture of Noah's THREE sons. On the left is Ham, the low lascivious minded wretch, who delighted to look on the nakedness of his father. The descendants of Ham were ever the enemies of God's chosen people, always acting out the part of the unconverted and theologically through-out old Testament history. In the middle we have Shem, the second son of Noah; who with Japheth, refused to look upon their drunken Father's nakedness, but put a garment upon their shoulders and went backward and covered their father. From Shem descended Abraham, Isaac and Jacob, the forefathers of the old Testament Church, who as a rule, obtained only justifying and regenerating Grace. And on the right we have Japheth, who joined Shem in throwing, as it were, the mantle of charity over their Father's disgrace. He and his posterity, had almost nothing to do with the many wars recorded in old Testament history, which were fought between the Hamites, types of the fallen nature of man, and the Shemites, which were the types of regenerate nature formed within by the new birth; But Japheth and his children, types of the truly Sanctified, waited to take up their part of the drama until the new Testament covenant, that is, Sanctifying Grace, was consummated, and the Pentecostal age had been ushered in by the descent of the Holy Ghost, on the first Pentecost after the resurrection of Christ. It was then, and not till then, that descendants of Japheth, the pure Caucasian white race, came in possession of the reins of the church; and they "have been, and will be, the dominating evangelical force, through the Sanctifying power of the Holy Ghost, to the ends of the earth, and to the close of this dispensation. The name, Japheth, means "enlargement" and was prophetic of the enlargement of the Church, by the incoming of the Gentiles during this, the Pentecostal age; Japheth and his offering being types of its Sanctified product. We look again, and see in this picture, the THREE first fathers of the children of Israel. On the left is Abram; that is BEFORE God called him; when he was an unconverted sinner, under the Father's dispensation. And in the middle, we see Isaac, the supernatural child, the type of the regenerate. And then on the right, we behold old Jacob, that is, after the angel had changed his name to Israel, "THE PRINCE that prevails with God"; No more a Babe in Christ, but a Royal Soldier of the Cross, anointed for service with Pentecostal Power.

We look again; and see the Three first Kings of Israel; on the left King Saul, playing the part of the carnal mind in jealousy, envy, hate and cruel persecution of David, whom he feared would supplant him on the Throne. In the middle we see David, ("well beloved") type of the regenerate, in mighty prevailing battle against his enemies round about. In the heart of this picture, we see the "old man", which Saul and other enemies represented, now conquered and skulking and skeddaddling from the light of life. On the right appears Solomon, ("Peaceful") the THIRD and most Glorious King Israel ever had. He was exceedingly great in wisdom, riches, Honor, dominion, power and glory. A true, God-given type of the genuine sanctified soul.

One more look, and we see the Trio of the Bethany home. On the left, Lazarus, the brother of Martha and Mary; with his face to the left bound for the grave: He is God's type of the sinner, dead in trespasses and sins. In the middle we find the portrait of Martha, the type of the merely regenerate church, too busy in the material household affairs to take time to sit at Jesus' feet and to choose like Mary, that good part which would have never been taken from her. It was Martha that Jesus had to instruct, admonish and exhort, once and again that her faith might not waver touching the resurrection of Lazarus, who symbolized the unsaved, dead in trespasses and sins, to be raised to a life of righteousness. Then we see in the portrait on the right, Mary, the type of the truly sanctified, spirit-filled church, who chose that good part, which Jesus said should never be taken away from her. It was Mary who poured the precious ointment on Jesus, typical of that Deep Sweet, Holy Ghost inspired devotion, which the merely regenerate are not capable of.

Once more we look, and see the THREE especially Favored Apostles; Peter, James and John. We would not have the reader to understand that we contend that Peter was never converted, and that James was merely converted, and that John was the only one of the THREE wholly sanctified. No, not that; but that the natural disposition of these three apostles were quite suggestive of the three states of the truly saved soul, as set forth by this threefold picture. Wherefore the Portrait on the left stands for violating Peter, who said "though all men shall be offended because of Thee, yet will I never be offended." It was Peter, when Jesus was arrested, who drew his sword and smote off the ear of the High Priest's servant; and a little later the same night, denied Jesus three times, and the last with a bitter oath.

Then in the middle we have a portrait suggestion of James, who was quiet plain calm and considerate; whose religion, appeared to dominate in the intellectual, rather than the Emotional realm of the soul. This peculiar trait is almost universally true of those who are merely born of the Spirit. In fact, regenerating grace,—(the Spirit of Christ) corresponds to the mind of man, and appears to affect the head more than the heart; hence the merely regenerate are seldom DEEPLY spiritual.

Then on the right we have a picture suggestion of the peculiar disposition of St. John, the beloved. It was John who, leaned on Jesus' breast and seemed to catch the faintest whisper that fell from His precious lips. John, undaunted, went with Jesus into the court of the High Priest; and feared not to be found with his savior. It is the gospel, written by John, that abounds with the recognition of the Divinity of Jesus, as the Christ, the Eternal Son of God. He had an eye for spiritual things. His gospel and epistles are deeply spiritual; and transcend all other scriptures in tender, affectionate emotion; dwelling much on love,—"perfect love," saying, "God is love; and he dwelleth in love, dwelleth in God, and God in him."

Now, Dear reader, for the last, but not the least important, we look again, and behold there is YOUR picture; either you are unconverted, as the man on the left, or merely regenerated as the man in the center or wholly sanctified as the man on the right.—Which one is yours?

Time and space forbid that I should take up the many and various symbols, in scripture, given to represent the THREE dispensations,—that of the Father,—that of the Son, and that of the Holy Ghost; which are productive of the THREE different characters, set forth by this Three fold portrait.

If the reader will, observe, this is my fifteenth article, each covering near three columns of the paper. While the viewpoint, in a measure is new; and the interpretation of quite a number of scripture narratives, are new; yet, the theology taught in these articles is thoroughly orthodox according to the established and generally accepted doctrines of all our leading Evangelical Protestant Churches except the experience represented by the picture on the right. This particular state of Grace, namely, sanctification, has been preached, believed in, sought and obtained, by hundreds, thousands, yea, millions of souls in all ages, and some in ALL Christian Churches since the First Pentecost after the resurrection of Jesus Christ. However, it has been more clearly and forcibly and successfully Preached by John and Charles Wesley, John Fletcher and Bishop Asbery, (the first American Methodist Bishop) and by a large percent of all the early Methodist preachers. It is now known as "the Wesleyan Theory of Sanctification"—Christian perfection,—or perfect love. There are now in America and Europe, some four or five small denominations, who are wholly committed to this Theory of Salvation. Speaking in general terms, with the exception of a bit of "Wild Fire" and Fanaticism that sprang up along the way, this is the doctrine known as "the Holiness movement" which has been preached constantly by Holy men and women throughout the civilized world for the last forty or fifty years. This is the doctrine and experience which God has repeatedly sent to the door of every church in the land; and the REJECTION of which, is the GREATEST WHY and WHEREFORE of all this cold death damp that has settled down upon our churches like the poisonous air of that midnight darkness of Egypt. May God remember us in tender mercy! In sincerity and love.

It was Peter, when Jesus was arrested, who drew his sword and smote off the ear of the High Priest's servant; and a little later the same night, denied Jesus three times, and the last with a bitter oath.

Then in the middle we have a portrait suggestion of James, who was quiet plain calm and considerate; whose religion, appeared to dominate in the intellectual, rather than the Emotional realm of the soul. This peculiar trait is almost universally true of those who are merely born of the Spirit. In fact, regenerating grace,—(the Spirit of Christ) corresponds to the mind of man, and appears to affect the head more than the heart; hence the merely regenerate are seldom DEEPLY spiritual.

Then on the right we have a picture suggestion of the peculiar disposition of St. John, the beloved. It was John who, leaned on Jesus' breast and seemed to catch the faintest whisper that fell from His precious lips. John, undaunted, went with Jesus into the court of the High Priest; and feared not to be found with his savior. It is the gospel, written by John, that abounds with the recognition of the Divinity of Jesus, as the Christ, the Eternal Son of God. He had an eye for spiritual things. His gospel and epistles are deeply spiritual; and transcend all other scriptures in tender, affectionate emotion; dwelling much on love,—"perfect love," saying, "God is love; and he dwelleth in love, dwelleth in God, and God in him."

Now, Dear reader, for the last, but not the least important, we look again, and behold there is YOUR picture; either you are unconverted, as the man on the left, or merely regenerated as the man in the center or wholly sanctified as the man on the right.—Which one is yours?

Time and space forbid that I should take up the many and various symbols, in scripture, given to represent the THREE dispensations,—that of the Father,—that of the Son, and that of the Holy Ghost; which are productive of the THREE different characters, set forth by this Three fold portrait.

If the reader will, observe, this is my fifteenth article, each covering near three columns of the paper. While the viewpoint, in a measure is new; and the interpretation of quite a number of scripture narratives, are new; yet, the theology taught in these articles is thoroughly orthodox according to the established and generally accepted doctrines of all our leading Evangelical Protestant Churches except the experience represented by the picture on the right. This particular state of Grace, namely, sanctification, has been preached, believed in, sought and obtained, by hundreds, thousands, yea, millions of souls in all ages, and some in ALL Christian Churches since the First Pentecost after the resurrection of Jesus Christ. However, it has been more clearly and forcibly and successfully Preached by John and Charles Wesley, John Fletcher and Bishop Asbery, (the first American Methodist Bishop) and by a large percent of all the early Methodist preachers. It is now known as "the Wesleyan Theory of Sanctification"—Christian perfection,—or perfect love. There are now in America and Europe, some four or five small denominations, who are wholly committed to this Theory of Salvation. Speaking in general terms, with the exception of a bit of "Wild Fire" and Fanaticism that sprang up along the way, this is the doctrine known as "the Holiness movement" which has been preached constantly by Holy men and women throughout the civilized world for the last forty or fifty years. This is the doctrine and experience which God has repeatedly sent to the door of every church in the land; and the REJECTION of which, is the GREATEST WHY and WHEREFORE of all this cold death damp that has settled down upon our churches like the poisonous air of that midnight darkness of Egypt. May God remember us in tender mercy! In sincerity and love.

regenerate, having the carnal mind remaining in the heart, is represented by the Picture in the center.

Seth was the Third son of Adam, and was the forefather of all the truly Faithful before the flood: Among his posterity were those who, "walked with God"—"Preached righteousness". Built the Ark, and rode the stormy waters across the flood into the New World. Seth the third son of Adam is represented by the picture on the right.

Now we look again and we have the picture of Noah's THREE sons. On the left is Ham, the low lascivious minded wretch, who delighted to look on the nakedness of his father. The descendants of Ham were ever the enemies of God's chosen people, always acting out the part of the unconverted and theologically through-out old Testament history. In the middle we have Shem, the second son of Noah; who with Japheth, refused to look upon their drunken Father's nakedness, but put a garment upon their shoulders and went backward and covered their father. From Shem descended Abraham, Isaac and Jacob, the forefathers of the old Testament Church, who as a rule, obtained only justifying and regenerating Grace. And on the right we have Japheth, who joined Shem in throwing, as it were, the mantle of charity over their Father's disgrace. He and his posterity, had almost nothing to do with the many wars recorded in old Testament history, which were fought between the Hamites, types of the fallen nature of man, and the Shemites, which were the types of regenerate nature formed within by the new birth; But Japheth and his children, types of the truly Sanctified, waited to take up their part of the drama until the new Testament covenant, that is, Sanctifying Grace, was consummated, and the Pentecostal age had been ushered in by the descent of the Holy Ghost, on the first Pentecost after the resurrection of Christ. It was then, and not till then, that descendants of Japheth, the pure Caucasian white race, came in possession of the reins of the church; and they "have been, and will be, the dominating evangelical force, through the Sanctifying power of the Holy Ghost, to the ends of the earth, and to the close of this dispensation. The name, Japheth, means "enlargement" and was prophetic of the enlargement of the Church, by the incoming of the Gentiles during this, the Pentecostal age; Japheth and his offering being types of its Sanctified product. We look again, and see in this picture, the THREE first fathers of the children of Israel. On the left is Abram; that is BEFORE God called him; when he was an unconverted sinner, under the Father's dispensation. And in the middle, we see Isaac, the supernatural child, the type of the regenerate. And then on the right, we behold old Jacob, that is, after the angel had changed his name to Israel, "THE PRINCE that prevails with God"; No more a Babe in Christ, but a Royal Soldier of the Cross, anointed for service with Pentecostal Power.

We look again; and see the Three first Kings of Israel; on the left King Saul, playing the part of the carnal mind in jealousy, envy, hate and cruel persecution of David, whom he feared would supplant him on the Throne. In the middle we see David, ("well beloved") type of the regenerate, in mighty prevailing battle against his enemies round about. In the heart of this picture, we see the "old man", which Saul and other enemies represented, now conquered and skulking and skeddaddling from the light of life. On the right appears Solomon, ("Peaceful") the THIRD and most Glorious King Israel ever had. He was exceedingly great in wisdom, riches, Honor, dominion, power and glory. A true, God-given type of the genuine sanctified soul.

One more look, and we see the Trio of the Bethany home. On the left, Lazarus, the brother of Martha and Mary; with his face to the left bound for the grave: He is God's type of the sinner, dead in trespasses and sins. In the middle we find the portrait of Martha, the type of the merely regenerate church, too busy in the material household affairs to take time to sit at Jesus' feet and to choose like Mary, that good part which would have never been taken from her. It was Martha that Jesus had to instruct, admonish and exhort, once and again that her faith might not waver touching the resurrection of Lazarus, who symbolized the unsaved, dead in trespasses and sins, to be raised to a life of righteousness. Then we see in the portrait on the right, Mary, the type of the truly sanctified, spirit-filled church, who chose that good part, which Jesus said should never be taken away from her. It was Mary who poured the precious ointment on Jesus, typical of that Deep Sweet, Holy Ghost inspired devotion, which the merely regenerate are not capable of.

Once more we look, and see the THREE especially Favored Apostles; Peter, James and John. We would not have the reader to understand that we contend that Peter was never converted, and that James was merely converted, and that John was the only one of the THREE wholly sanctified. No, not that; but that the natural disposition of these three apostles were quite suggestive of the three states of the truly saved soul, as set forth by this threefold picture. Wherefore the Portrait on the left stands for violating Peter, who said "though all men shall be offended because of Thee, yet will I never be offended." It was Peter, when Jesus was arrested, who drew his sword and smote off the ear of the High Priest's servant; and a little later the same night, denied Jesus three times, and the last with a bitter oath.

Then in the middle we have a portrait suggestion of James, who was quiet plain calm and considerate; whose religion, appeared to dominate in the intellectual, rather than the Emotional realm of the soul. In fact, regenerating grace,—(the Spirit of Christ) corresponds to the mind of man, and appears to affect the head more than the heart; hence the merely regenerate are seldom DEEPLY spiritual.

HARDT ELECTED SUPT. OF SCHOOLS.

From the De Leon Free Press we quote the following:

At a meeting of De Leon school board at City Hall last night, Principal H. B. Hardt was unanimously elected to the position of superintendent to succeed J. O. Milstead, resigned. Mr. Hardt has filled the position of principal during the past school year in a most satisfactory manner, and his elevation to the superintendency is but a proper recognition of his splendid teaching and executive ability.

Mr. Hardt is a native of Hondo, Texas, where his parents now reside. He is a graduate of Southwestern University, Georgetown, has a bachelor's degree, and is an able athletic director. His popularity with the student body is second to no other teacher who has filled a place on the faculty of De Leon schools for years.

Upon being notified of his election Mr. Hardt signified his acceptance. President Nabors of the board notified Free Press that at a meeting to be held tonight, it was the intention of the Board to re-elect the entire faculty. Of twenty able instructors it is known some have made arrangements to go elsewhere, but it is highly probable a large majority of the old faculty will continue over for another year.

Mr. Hardt is a son of H. G. Hardt of near Yancey. His numerous Medina County friends will rejoice with him in his success.

SAID STUDY TO PLEASURE

(Edgar A. Guest in Houston Post.)

Said Pleasure to Study: "I'm better for man,

I take him from trouble wherever I can,

I lighten his burden and soften his woes

And lend to him laughter wherever he goes;

With thoughts of his duty I never offend,

I make him happy, and I'm his best friend."

Said Study to Pleasure: "I better his mind,

I help him to conquer the cares he shall find.

I make him wiser. A day spent with me

And stronger and braver in trouble he'll be.

You bring him laughter that fades with the hour,

But I bring him knowledge and I bring him power."

Said Pleasure to Study: "You trouble him so.

You whisper of work when to play he should go,

You hold him fast to a book or a dream,

I take him out to the banks of a stream,

I give him music and dancing and fun,

I set him free from the tasks to be done."

BOY O' MINE.

By John Randolph Stidman.

Remember, boy o' mine,

The little brown path

Runs over the hill,

The little white lamp

Is burning still,

And if you are tired,

Weary and ill,

Come home, boy o' mine.

If you've lost, boy o' mine,

A bit of the faith

Which beat in your breast,

If the light is hard

And you need a rest,

Come, stay for awhile

In the old home nest,

Get well, boy o' mine.

Nervous Break-Down

MRS. ANNIE LANGE, of R. F. D. 1, Burlington, Tex., writes as follows regarding her experience with Cardui: "Some time ago I had a nervous breakdown of some kind. I was very weak and so nervous. I had fainting spells and suffered a great deal, but more from the weak, tremble, no-account feeling than anything else. I knew I needed a tonic, and needed it badly. I began the use of Cardui to see if I couldn't get some strength, as I knew of other cases that had been helped by its

use. I soon saw a great improvement, so I kept it up. I used seven bottles of Cardui, and can say the money was well spent, for I grew well and strong. Am now able to do all my housework and a great deal of work besides."

If you are weak, run-down, nervous and suffer from the ailments peculiar to women, it is very likely that Cardui will help you, in the way it helped Mrs. Lange and has helped thousands of others, during the past 40 years. Ask for, and insist on, Cardui.

JOHN W. SAATHOFF.

John W. Saathoff, who was brought
to the home of his sister, Mrs. George
Muennink, some ten days ago from
his home in Bandera county, died
Tuesday night, aged 61 years, 11
months and 22 days.
Deceased was a native of Medina
county, and at one time was a mem-
ber of the commissioners court. Some
twelve or fifteen years ago he trans-
ferred his residence to Bandera
county, where he has since resided.
Mr. Saathoff was a member of one
of the most prominent and influential
families of this county, a family that
has been identified with the history
of the county since its earliest days,
and one that has done its part in
building up the great and prosperous
community that is now found within
the confines of the county.
Besides his wife, deceased, is sur-
vived by eleven children, two children
having preceded him in death. He
is also survived by three sisters, Mrs.
George Muennink of Hondo, Mrs.
Sada Wiemers of the western part of
the county, and Mrs. N. H. Burgin of
Yancey; five brothers, Mimke Saat-
hoff of Tarpley, Henry of Bandera
County, Jacob, W. N. (County School
Superintendent) and Schweers, all
of Medina County.
The funeral occurred Wednesday
afternoon, the remains being interred
in the New Fountain cemetery, the
Rev. A. M. Foster, Pastor of the
Hondo Methodist Church, officiating,
many grief-stricken relatives and
friends being present to pay tribute
of respect to one whom they had
loved and cherished for more than
half a century.
In the passing of deceased another
pioneer citizen of Western Texas has
been called to his celestial home, and
the void created will be hard to fill.
To the bereaved family of the de-
ceased the Anvil Herald and a host of
other friends offer condolence,
realizing at the same time that time,
and time alone can assuage the grief
that is now their portion.

OFF TO FRANCE.
Tax Assessor and Mrs. Lou E.
Heath were in San Antonio Wednes-
day where they bid adieu to their son,
Wallace, on the eve of his departure
for France, where for the next four
months he will apply himself to the
study of his chosen profession, that
of architecture. Perhaps no country
in the world exceeds France in the
beauty and magnificence of architec-
ture and doubtless Wallace will de-
rive great benefit from his studies
in that country.
The appointment to this school
came to Wallace from Prof. S. E.
Gideon, professor of architecture
in the State University, and who is
a member of the honorary committee
in America cooperating with the
Fontainebleau School, through the
Beaux Arts Institute of New York
in recommending and recruiting stu-
dents for study in the French School.
Eleven other students and four
ex-students from the University will
accompany Wallace including Prof.
and Mrs. Gideon. The party will sail
from New York for France on next
Wednesday, June 13th, and for the
next four months will study in one of
the greatest architectural achieve-
ments of the age. Fontainebleau
Palace, the favorite palace of the
great Napoleon, which has been set
aside by the French government as
a school of fine arts including archi-
tecture.
The securing of appointments to
this school is considered a great
honor by students as it is only those
who show exceptional ability that are
selected as students to attend this
institute.
All of the people of Hondo are
gratified over the fact that this honor
has fallen on a native son of our
town and all feel confident that he
will reflect credit on his State in the
great school he is to enter.
We all wish Wallace bon voyage
and a safe return and feel confident
that ere the hand of time has whiten-
ed his hair he will be numbered as
one of the great architects of the
Western World.

Old Jupiter Plavis made a bluff last
Friday and Saturday nights that is
somewhat of a bluff as far as this
immediate section was concerned.
Both attempts at rain yielding .87
inch of moisture. However, they
had a real rain over on the western
part of the county, D'Anis and vicin-
ity reporting from 2 to 2.50 inches.
The precipitation too, was somewhat
heavier north than in the town, some
reporting an inch and more, while
South of town the fall was practically
nil. Corn and other crops were bene-
fitted where the rain fell, although
more rain will be needed to make
good corn.
The Bandera baseball team has
a game scheduled with the newly
organized Hondo team for Friday
evening. As this issue of the Anvil
Herald is being printed while the
game is in progress, the score will
have to go over until our next issue.

C. R. Gaines visited the Luling oil
fields this week, and says things are
certainly booming in that part of
Uncle Sam's homestead. Every
available container is full of oil, der-
ricks are going up in every direction
and the hum in the field is deafening.
He says, there were 5,000 automob-
iles in the field and in Luling—a
sight we may expect in Hondo when
some drill taps the subterranean oil
pool all geologists say underlies Me-
dina county. He says the average
depth of the wells in the field is 2,900
feet. While in that section Mr.
Gaines also visited his daughter, Mrs.
Arthur Wiede, in Lockhart.

BALL CLUB ORGANIZED.

Some of the young men are en-
deavoring to organize a ball club
for Hondo. In fact, the club is al-
ready practically organized, but there
is still room for more players, so if
you are planning to be a second
Babe Ruth, get into the game.
There is ample material among the
young men of Hondo to get up a
winning team. All that is neces-
sary is practice. The idea is to get
up a team of all home young men,
and if enough can be enlisted to have
two teams or more and have a regu-
lar schedule of games. Of course,
when a game is matched with a visit-
ing team the best of all the teams
would be selected to represent Hondo.
When there is no games with out-
siders the Hondo teams would be
pitted against each other.
There will be no salaried men on
the team, the purpose being to play
only for amusement and for the
pleasure of the spectators.
It is hoped the people of Hondo
will lend their support to the team.
The boys have a right to expect this
much. Everybody loves the nation-
al game, and everyone should do his
part in helping to organize a first
class team.
The Hondo club played its first
game—a double-header—with Knippa
on Decoration day and broke even,
a good starter.
Practice days are Tuesday and
Thursday evenings. If you are in-
terested be at the park and take a
hand in the practice.

CLERGY IN TRIBUTE TO "HU-
MAN HEARTS".
A challenge to fifteen hundred New
York clergymen to "come, see and
criticise if you can" was issued by
King Baggot, director of the Univers-
al picture "Human Hearts" when
that film was shown in New York
City. Baggot asserted his belief in
the good intention of moving picture
producers. Critics and reformers to
the contrary, all branches of the film
industry are striving to make clean
pictures, Baggot contended.
As proof of his statements he of-
fered his picture "Human Hearts,"
explaining it would be found to be
thrilling and filled with interest and
suspense, yet clean as a whistle and
surcharged with high principles.
Hundreds of clergymen accepted.
Scores of letters later were received
from them highly praising the pic-
ture and complimenting Baggot and
Universal.
"Human Hearts" was adapted from
Hal Reid's celebrated rural drama of
a decade ago. In the screen version
House Peters plays the leading role.
The picture is to be shown at the
Airdome Theatre, June 20, and 22.

Are we to have another invasion
of grasshoppers? Reports from the
upper part of the county are calculat-
ed to cause uneasiness; in fact, it is
reported some farms have already
been seriously damaged. While we
have not in recent years suffered from
these pests in this county, only a few
years ago the crops in some of the
adjoining counties were practically
destroyed. Let us hope we are not to
have a repetition in this county.

THAT BAD BACK

Do you have a dull, steady ache in
the small of the back—sharp, stab-
bing twinges when stooping or lift-
ing—distressing urinary disorders?
For bad back and weakened kidneys
Hondo residents recommend Doan's
Kidney Pills. Read this Hondo state-
ment.

Joseph Mechler says: "I can high-
ly recommend Doan's Kidney Pills,
for I know they are good. I was
taken with a severe backache and had
a dull pain in my kidneys day and
night. When I stooped I could hard-
ly rise up again. My kidneys didn't
act right and I had to get up nights
on this account. A friend told me
about Doan's Kidney Pills so I used
them and was helped. Two boxes
of Doan's made my back as strong
as iron and made my kidneys act
like clock work."

Price 60c, at all dealers. Don't
simply ask for a kidney remedy—get
Doan's Kidney Pills—the same that

Cataract Deafness Cannot Be Cured
by local applications as they cannot re-
ach the diseased portion of the ear. There
is only one way to cure Cataract Deafness
and that is by a constitutional remedy.
HALL'S CATARRH MEDICINE acts
through the Blood on the Mucous Sur-
face of the System. Cataract Deafness is
caused by an inflamed condition of the
mucous lining of the Eustachian Tub-
e. When this tube is inflamed you have
rumbling sound or imperfect hearing, and
when it is entirely closed, Deafness is the
result. Unless the inflammation can be re-
duced and this tube restored to its nor-
mal condition, hearing may be destroyed
forever. Many cases of Deafness are
caused by Catarrh, which is an inflamed
condition of the Mucous Surfaces.
ONE HUNDRED DOLLARS for any
case of Catarrh Deafness that cannot
be cured by HALL'S CATARRH
MEDICINE.
